Objectives: ... write in different forms for different purposes such as lists to record, letters to invite or thank, and stories or poems to entertain
... use vocabulary to describe clearly ideas, feelings, and experiences

Spider Story

Write about spiders on the lines below. On the first line, tell how you feel about spiders. On the other lines, tell what you know about spiders. When you are finished, use black pipe cleaners through the black dots to make the spider's legs and fangs.

Teacher, make copies of this page on heavy tag board. Display the stories on your bulletin board.
